### Program notes:

- Fee: \$5/student (adults/teachers are free)
- Students should be separated into groups (5-8 students/group is ideal) for the orchard tour; each group should have an adult chaperone.
- Closed-toe shoes (no sandals) work best for walking through the orchard.
- Each child will get to pick a piece of fruit (peach, apple, etc) to take home in an Engelbrecht's Orchard bag.
- We accept cash, check or credit on the day of the field trip or in advance.
- Please note that our bathroom facility is a porta potty.
